Matrimoine kHaus (<https://www.khaus.ch/en/>)

During the 2025 UEFA Women's EURO you are invited to watch a loop of short films which add to more visibility of women and sports. Visit the screen in kHaus Basel (<https://www.khaus.ch/en/>) ~30 minutes before kick-off to any of the soccer games.

All contributions have been created by Wiki-artists and are freely accessible to the public. However we can not share this material online (e.g. Commons) as some of the contributors want to remain the owner of their respective work.
